

Dental service 2017

Take good care of yourself

An ERGO Insurance
Group company

It's so easy

Very easy to use

You choose your dentist from the DKV directory and contact them directly to ask for an appointment. Your Medicaard will identify you as insured by us.

If you need any treatment, you will be given an estimate immediately and any questions you have will be answered.

The best odontologists

- › DKV offers you an extensive network of odontologists and dental clinics all over the country.
- › All of them have contracts with DKV, and are committed to providing personal service and top quality medical attention.
- › Selected according to their official qualifications and proven professional ability.

DKV Healthcare Centre

Very close to you

With DKV healthcare centres you will be able to enjoy the best medical care. Innovative and advanced, spacious and comfortable, with more services and the latest technology.

- › Latest technology available on the market (dental laser, digital articulator, 3D diagnostic camera, dental CT, etc.).
- › High quality service guaranteed by the best professionals.
- › Dental and surgical cubicles.
- › Pre-/post-operative room.
- › National network of DKV Health centres.
